Shari Pash to Serve as Faculty Member at Institute for Organization Management

A Four-Year Leadership Training Program Produced by the U.S. Chamber of Commerce Foundation

Washington D.C. — Institute for Organization Management, the professional development program of the U.S. Chamber of Commerce Foundation, has chosen Shari Pash, President and Owner, of Strategic Solutions for Growth, to serve as a faculty member at Institute for Organization Management in 2017. Institute is an intensive week-long nonprofit leadership training program that will be held at University of Arizona in January and University of Georgia in June.

Since its commencement in 1921, the Institute program has been educating tens of thousands of association, chamber, and other nonprofit leaders on how to build stronger organizations, better serve their members and become strong business advocates.

Institute's faculty members come from varied backgrounds within the nonprofit industry, all with a commitment to providing the best education for chamber and association professionals. The faculty plays a pivotal role throughout the week, providing instruction and sharing resources in targeted courses. Many Institute faculty members continue to offer their guidance to students and their organizations throughout the year.

“Institute's faculty members are truly the experts in their respective fields,” said Raymond P. Towle, IOM, CAE, the U.S. Chamber of Commerce Foundation's vice president of Institute for Organization Management. “These individuals each bring a wealth of knowledge and experience to the Institute classroom that is unparalleled in nonprofit management.”

Institute for Organization Management is the professional development program of the U.S. Chamber of Commerce Foundation. It is the premier nonprofit professional development program for association and chamber professionals, fostering individual growth through interactive learning and networking opportunities.

The U.S. Chamber of Commerce Foundation (USCCF) is a 501 (c)(3) nonprofit affiliate of the U.S. Chamber of Commerce dedicated to strengthening America's long-term competitiveness by addressing developments that affect our nation, our economy, and the global business environment.
